

YUKON GARDENS

NOW OPEN for the Season!

9:00 am to 5:00 pm Monday to Saturday
Hours of Operation will expand as season goes on!

Every year we promote certain groups or varieties of plant material. This year we have an exceptional collection of perennials, many of these were planted in the Show Gardens and are on display. Begonia is a family of flowers that can do very well here, but in the past there have only been a small variety to pick from. This is no longer the case; we now have a large selection. Dawson City is the Begonia Hanging Basket Capital of the North. Our new Show Gardens will be open and at no charge for 2004. This horticultural display is designed to be interesting and educational. May your gardening season produce many beautiful flowers and healthy vegetables!
